Dear Ms. Billings:

Reference is made to your letter of February 10, 1988, and a subsequent telephone conversation with Mr. Joe Crenshaw of my staff concerning former Federal property in Montgomery County, Pennsylvania.

The General Services Administration (GSA) has requested the files from the Federal Records Center in Suitland, Maryland. The Center has indicated a turnaround time of three weeks. GSA, therefore, requests an extension until March 18, 1988, to provide the information to your office. Should you have any questions regarding this matter, please contact Mr. Joe Crenshaw at FTS 242-2482.

Sincerely,

PATRICIA E. BAILEY
